Vision, Mission and Quality Policy

Vision

?To become a **Total Quality Institute** and contribute effectively towards national development in the era of rapidly changing global economy and ensure prosperity for the mankind at large?.

Mission

?The Institute shall strive hard to train young human beings to become **dynamic, committed** and **self-motivated Total Quality Professionals** to meet the rapidly changing multi-dimensional and multi-spherical futuristic challenges of the contemporary world?.

Quality Policy

?The Institute shall focus on developing Professionals of **very high intrinsic value, technically sound, emotionally balanced, spiritually high, socially sensitive, having responsibility, accountability** and **self-esteem** in partnership with parents, corporate, academia and government?.
