Faculty Development Programmes

The main aim of BVICAM core activities is strengthening the backbone of nation by improving the quality of education and enhancing the level of technical Teaching-Learning Process. For this purpose, efforts are made to elevate the capability of a teacher not only in teaching but also in other allied activities as well as research and development. The personality of a faculty has a monumental effect on students as they try to imitate as well as acquire many practices of theirs unconsciously. The personality development of the teacher is desired to create enthusiasm amongst students by motivating them to attend lectures and to shape their career in a fruitful direction. BVICAM organizes regular FDPs with the motive to illuminate the faculties inducing self-analysis, self-introspection, self-actualization, self-enhancement and comprehensive development of their personalities.

For the overall benefits of the academic community, Two Weeks Faculty Development Programme on **?Emerging Research Trends in Computer Science and IT?** from **13th - 24th May, 2019** during **09:30 a.m.to 05:00 p.m.**, Monday to Friday, is being organized by IEEE Delhi Section & IIPC (AICTE) of BVICAM, New Delhi, in collaboration with IEEE Computer Society (Delhi Section), CSI Delhi Chapter & ISTE Delhi Section at BVICAM, New Delhi.

The objective of this FDP is to train as many professionals as possible to act as the resource persons for promoting Entrepreneurship among the students. To meet this objective, National Foundation of Indian Engineers (NAFEN), New Delhi & Bharati Vidyapeeth's Institute of Computer Applications and Management (BVICAM), New Delhi drew experienced resource experts from Government, Industry & Academia to share their expert views and motivate the faculty to face the multi-challenge global competitive Indian environment. There will be technical sessions on following topics, by experts from Academia and Industry, followed by one day Industrial visit and interaction with successful Entrepreneur.

Registering for the event is a three step process, as listed below:

1. Please [click here to get membership for Events@BVICAM](#) ^[1] (**Please note that you don't need to get membership again in case you had registered for any of the prior events like INDIACom, NSC, FDP etc.**)

2. [Click here to login](#) ^[2] to the Events portal using the registered Member ID and Password

3. After logging in, you'll be redirected to the page where you can submit payment details.

Further details about the FDP are [available here](#) ^[3].
