Invitation for Webinar on Value of IPR in Academic Researches dated 21-11-2020

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 21-November-2020, the Saturday, at 06:00 p.m.

Intellectual Property Rights (IPR) refers to the legal rights given to the inventor or creator to protect his/her invention for a certain period of time. The main purpose of IPR is to encourage the creation of a wide variety of intellectual properties. It not only helps to the inventor in multiple ways but also has significant influence on international trade and indigenous trade of every nation, thereby facilitating the economic development of a country by promoting healthy competition and encouraging industrial development and economic growth. The webinar aims to discuss all related issues and various related initiatives undertaken by the Government of India on mission mode.
