NOTICE

Sub.: Establishment of Start-up

Selection committee during its meeting of 4th Cycle of IPU-IIF has approved the proposal entitled **Fake News Detection using Soft Computing** to establish start-up at Centre for Research in Innovation & Interdisciplinary Studies (CRIIS), Bharati Vidyapeeth's Institute of Computer Applications and Management (BVICAM), New Delhi, by a team headed by **Dr. Rakhee, Asstt. Professor, BVICAM, New Delhi**, through the University funding under IPU Innovation & Incubation Foundation.

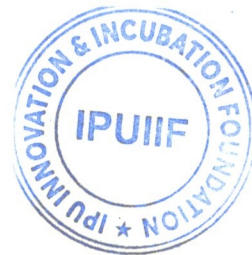

The Terms & Conditions will be as following:

1. Start-up team is required to submit detailed proposal including the Business Plan and Development requirement to IPU-IIF within one month;
2. Team is required to register the start-up in accordance to start-up policy of GGS IP University and DPIIT rules of Govt. of India.
3. The IPU Innovation & Incubation Foundation would take equity in the start-up as per policy of the university.
4. A dedicated web-link of the start-up shall be submitted to IPU-IIF.

The team is working at Bharati Vidyapeeth's Institute of Computer Applications and Management, therefore a consent letter of Institute official is required for providing space, technical and financial support to proposed start-up.

You are required to submit your registration letter of start-up. Initial fund transfer shall be carried out after receipt of registration letter of the start-up. Please submit your acceptance of the offer within one month.
