Assignment 2: India's Challenges and Political Dynamics

Course: BA(JMC)-DSC-101 (Current Affairs) **Submission Deadline:** **Marks:** 20

Instructions:

This assignment focuses on contemporary challenges within India and the dynamics of its political landscape.

Task:

1. Socio-Economic Challenges in India:

- Choose **two** contemporary socio-economic challenges in India from the following categories:
 - Unemployment
 - Major Health Issues (e.g., NCDs, specific infectious diseases)
 - Impact of Floods/Drought
- For each chosen challenge, provide recent data or news (from 2024-2025) to illustrate its current status and impact.
- Discuss one government policy or initiative that aims to address each of these challenges.

2. Political Parties and Public Opinion:

- Identify two prominent national political parties in India.
- Discuss one significant challenge (e.g., dynastic succession, internal democracy, communalism) that these parties generally face in the Indian political landscape.
- Explain how social media has influenced the way political parties communicate with the public and shape public opinion in recent Indian elections.

Learning Outcomes Addressed: CO1, CO3, CO5
