Assignment 3: Emerging Trends in Media and Global Conflicts

Course: BA(JMC)-DSC-101 (Current Affairs) **Submission Deadline:**

Marks: 20

Instructions:

This assignment requires you to explore the latest trends in media and analyze significant international conflicts.

Task:

- 1. Artificial Intelligence (AI) in Journalism:**
 - Define "Artificial Intelligence (AI)" in the context of journalism.
 - Identify and describe two specific ways AI is currently being used in newsrooms or by journalists (e.g., content generation, summarization, fact-checking).
 - Discuss one ethical consideration or challenge that arises from the increasing use of AI in journalism.
- 2. Global Conflicts and International Response:**
 - Choose **two** different international conflicts or major global issues (e.g., War in Ukraine, Israel-Hamas Conflict, Civil War in Sudan, Climate Change).
 - For each chosen conflict/issue, briefly describe its current status (as of mid-2025) and one major international impact it has caused (e.g., humanitarian crisis, economic disruption, geopolitical realignment).
 - Explain how international diplomacy or organizations are attempting to address one of these conflicts/issues.

Learning Outcomes Addressed: CO1, CO4, CO5
